

## ENVIRONMENTAL CHARTER

- **Aim for a high level of environmental performance**

In developing its businesses internationally, LVMH works to align its practices with those that offer the best level of environmental protection around the world.

- **Foster a collective commitment**

The environment is the responsibility of every individual and LVMH believes that the awareness, education and training of its employees are top priorities. To ensure a continued high level of environmental performance, the Group believes it is vital for each company to set precise environmental objectives and implement a management system dedicated to this process.

- **Control environmental hazards**

In addition to the most stringent compliance with environmental regulations, which is an absolute duty, the Group intends to focus on risk prevention. As a result, it allocates human and material resources to this goal.

- **Design luxury products by integrating environmental innovation and creativity**

Guided by its overriding concern for high quality, LVMH is working to improve control and better anticipate the environmental aspects related to the life cycle of its products. LVMH encourages all processes that result in environmental innovations and accepts its duty to exercise prudence and take precautions to ensure total safety for the consumer.

- **Make commitments outside the company**

LVMH intends to contribute to the protection of the environment above and beyond just the aspects directly related to its own businesses. Because it considers that promoting respect for the environment is essential, LVMH is developing an active partnership with groups of businesses, local communities and the associations which contribute to this objective.
